

Name: _____ Class: _____

Teacher: _____ Date: _____

Title: _____

The pelicans on the pier thought it was funny, when Marlin's friend told him he would be safe in his mouth. Why? Pelicans are carnivores (meat-eaters). They eat mostly fish. Sometimes they also eat salamanders and shrimp. It might not be too safe after all. Draw some things for this pelican to eat for dinner.

This is a **Movies in the Classroom** worksheet for the **Ocean Life** lesson plan.
Movie: **Finding Nemo** © Disney/Pixar 2003
