# Sliding Pocket Card

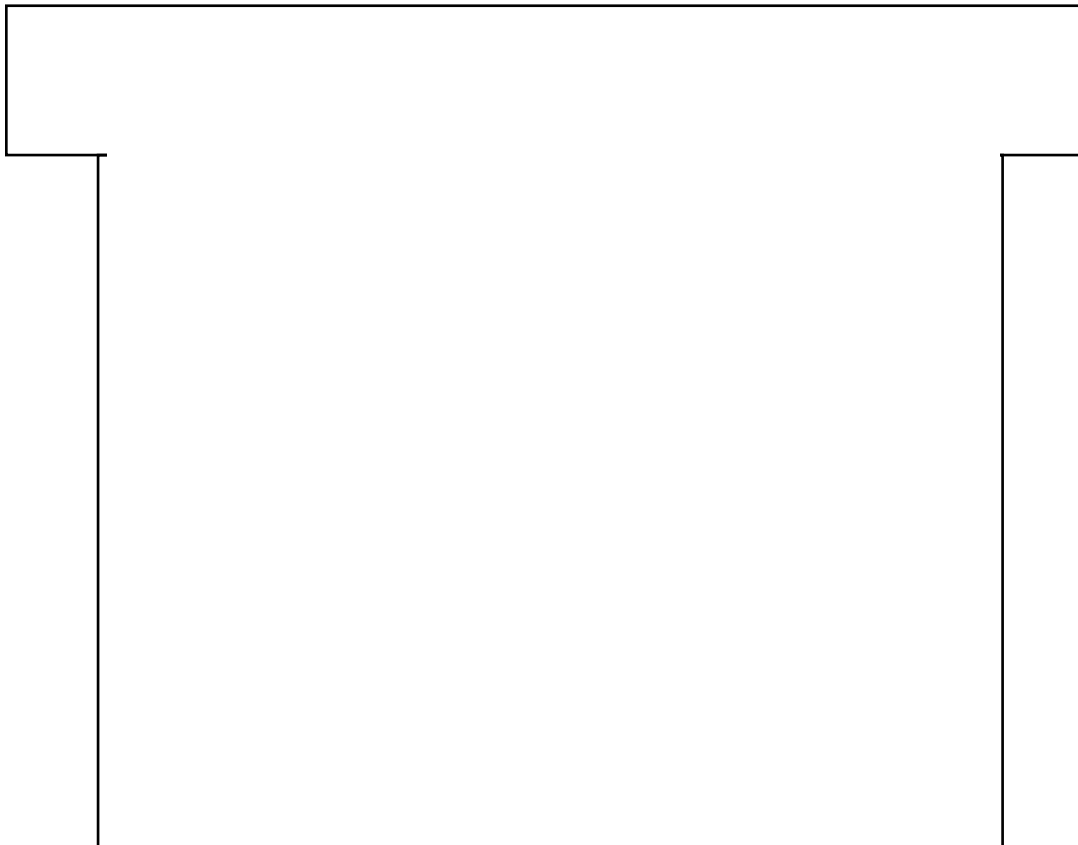

This Sliding Pocket Card can be used as an invitation, a journaling card for scrapbooking, or for a class project (decorate the pocket for something like the 4th of July and write a poem on the sliding card). It's uses are limited only by your imagination.

Cut out the sliding card below. Cover stock (stiff paper) is best. The t-tab at the top will stick out of the top of the pocket. Your poem, journal entry or decoration will go on the narrow part below.

Cut out the pocket on Page 2. Fold on the dotted lines. Glue the tabs together.

Decorate the Pocket and the Card. Slide the card into the pocket. (Wait until the glue dries.)
