

# PTA Fundraising *ClassBrain* School Fundraising Registration Form

Please fill out the following information to register your school for the ClassBrain membership fundraising program. Once registered, your school will receive \$3.00 for every online member registration associated with your school, and \$5.00 for every membership sent in by your school through the membership drive.\*

What a great deal! Members of your school receive great educational materials, and if they pay through your PTA, it's even tax-deductible! Your school also gets to raise a great deal of money for other needs, and we'll get to expand our materials even further with your help!
